Headteacher's welcome

As Headteacher one of my greatest responsibilities and priorities is the recruitment and development of staff. At the Archer Academy, we are working to build an exceptional school and to do that, of course, we need an outstanding, fulfilled staff team. I ask a lot from my staff, but in return I can promise extensive support and development opportunities, and the space and freedom to extend your skills which would be hard to find elsewhere.

Our vision for the Archer Academy is rooted in our desire to provide an outstanding, inclusive and aspirational education for local children that will prepare them for adult life. We cannot know exactly what the future will bring for our students, but by giving them a love of learning, adaptable skills and the determination to succeed, we will enable them to rise to whatever challenges they face.

We are a popular school and are significantly over-subscribed with applications for secondary transition each year. The school is now complete with students in years 7 – 11 and our 6th form partnerships with both Woodhouse College and Barnet and Southgate College offer exceptional opportunities for staff and students.

This is undoubtedly an exciting time to join the Archer Academy. We very much look forward to hearing from you and thank you for your interest in our school.

Lucy Harrison
Headteacher

WHY YOU SHOULD CHOOSE THE ARCHER ACADEMY

- Our campus model school with a distinctive feel at Upper and Lower school
- An exceptionally talented, friendly and supportive staff team
- The opportunity to teach bright, enthusiastic and hardworking students
- Extensive CPD package with many opportunities for leadership and progression
- Accelerated KS3 curriculum and three year KS4 curriculum
- Strategic partnerships with excellent 6th form colleges
- Extended Christmas break to secure three weekends within the holiday and Occasional Day in December
- Supportive parent and governing body with excellent links to the wider community
- Free staff fitness and wellbeing activities such as weekly aerobics and half termly staff book club
- Great transport links from East Finchley station and our cycle to work scheme
- Admission into Year 7 offered to children of staff who have had 2 or more years' service at the Archer Academy

The school's curriculum is a particular strength. It combines academic rigour with broad and deep coverage of the skills and knowledge needed to successfully progress onto higher education and employment.

Ofsted,
June 2015

Our three-fold vision for the Archer Academy is rooted in our desire to provide an outstanding, inclusive and ambitious education for local children, an experience that they will relish and that will prepare them for adult life. It underpins every aspect of life at the Archer Academy, and is the benchmark against which we measure our success.

We were particularly struck by very well-behaved students who barely gave us even a cursory glance, so engrossed were they in their literature books.

Good
Schools

REALISING POTENTIAL:

Helping students to achieve personally, socially and academically to the best of their abilities. Our outstanding teachers set high standards and challenge each and every student to fulfil their individual potential, both in their studies and through extra-curricular activities.

INSPIRING CREATIVITY:

Providing an enjoyable and inspirational education that encourages students to be analytical, inventive and self-motivated. This commitment to creativity and analytical thinking applies across the whole curriculum as well as our extra-curricular opportunities.

ENGAGING WITH OUR COMMUNITY:

Ensuring that students respect others and value working with others for mutual benefit. The Archer Academy is a school with its roots in the community, and so responsibility and participation are fundamental to our ethos.

Our vision

Our campus school

We are a campus school, a model which we believe allows us to create a distinctive atmosphere on each site. Our students complete Lower School, Years 7 to 9, at our Stanley Road campus, a new state of the art building with incredible facilities and then graduate to our Upper School at Beaumont Close, just a few minutes' walk away, for Years 10 and 11.

Our urban campus set-up gives each age group their own space in which to grow, learn and develop, whilst offering access to outstanding, purpose built large-scale school facilities. It's the best of both worlds. The campus model also reinforces the small, community feel of our school and our small class sizes help the Archer Academy feel friendly and personal.

Students have a highly sophisticated understanding of how their behaviour impacts on learning and are on track to make outstanding progress.

Miranda Perry,
School Inspector

We create a culture that celebrates achievement in all aspects of school life. For the school, good behaviour and firm discipline underpin a happy, respectful and productive learning environment.

We offer an extended day twice a week, during which students take part in extra-curricular activities. We provide a broad enrichment programme that covers: sports clubs and teams; creative arts societies; media and politics; vocational and entrepreneurial societies; and voluntary work and awards schemes. Our enrichment programme will give you the chance to share your passion for a particular subject with students, whether it is fencing, ceramics or gardening.

We offer our students an exciting programme of trips, with plenty of opportunity for our staff to join in. From our regular Cultural Society outings to the theatre, opera and ballet, to residential trips in the UK, Europe and the USA.

Enrichment

Trips

Senior leaders and governors base their work on a clear, simple vision which commits the academy to achieving the very best it can for its students. It is a vision shared by all who work and study in the academy.

Ofsted,
June 2015

The Archer Academy is an urban campus school in the leafy London suburb of East Finchley, with a lower school and sports facilities at Stanley Road and an upper school at Beaumont Close. The excellent sports facilities at Stanley Road have been supported by a £500,000 grant from the London Marathon Charitable Trust. Each campus is equipped with teaching facilities that its students need for their day to day lessons.

COMMUNITY USE OF THE FACILITIES

We are committed to ensuring that the wider community benefits from the investment that has been made into our school. The 3G pitch and other outside areas, sports hall, dining room, dance studio, music rooms and some classrooms are available for hire outside of school hours.

Leaders have set the very highest expectations for behaviour...[and] have ensured that this is a happy, safe academy where strong relationships underpin high expectations.
