The Archer Academy  
Stanley Road Campus  
Eagans Close  
East Finchley

June 2022

Dear Candidate,

Thank you for your interest in the Archer Academy and the post of **Teacher of Geography**. This pack is intended to give you information about this exciting role and our school's vision and ethos. Further background information is available on our website and in our prospectus – I would encourage you to review both.

Our vision for the Archer Academy is rooted in our desire to provide an outstanding, inclusive and aspirational education for local children that will prepare them for adult life. We cannot know exactly what the future will bring for our students, but by giving them a love of learning, adaptable skills and the determination to succeed, we will enable them to rise to whatever challenges they face.

We are a maturing 11-16 secondary school which opened in September 2013 in East Finchley, serving families in the surrounding areas of North London. The school was created to meet the needs and desires of parents, primary school governors and the local community, for a first-choice, non-denominational, coeducational secondary school.

We are significantly over-subscribed, with over 1100 applications for entry in September 2022. We became a complete school in September 2017 for the first time, with students in years 7 through to year 11. Our pioneer year group sat our first set of GCSE examinations in the summer of 2018. We have now secured four sets of GCSE results, which confidently place us in the top 10% of all schools nationally. We were graded 'outstanding' by Ofsted in June 2019.

We are a campus school, a model which we believe allows us to create a distinctive atmosphere on each site. Our students complete Lower School, Years 7 to 9, at our Stanley Road campus, a state of the art building with incredible facilities. Our students graduate to our Upper School at Beaumont Close, just a few minutes' walk away, in Year 10. Our campus provides each cohort the chance to grow and develop amongst their closest peers and creates a real sense of progress when students graduate to the college-like atmosphere of Upper School, a rite of passage they aspire towards. Our campus model also reinforces the small, community feel of our school.

We currently have 486 students in years 7-9 and 324 students in year 10-11. We are currently an 11-16 school working in a strategic partnership with Woodhouse College and Barnet and Southgate College for post 16 education. This partnership is dynamic and evolving rapidly, securing a third transition point for our students and professional development opportunities for our staff. We are ambitious to continue to develop this provision over the coming years and see ourselves very much as an evolving 11-18 school.

We are now confidently in our ninth year as school, we are firmly established, with a strong, experienced team in place. We are exciting about the opportunities ahead of us as a school as we seek to be beyond outstanding.

## **Job description** **Teacher of Geography, MPS/UPS**

*One year fixed term contract to August 2023 in the first instance*

The Geography Department is a leading department within our school enabling our students to fully immerse themselves in human, physical and environmental aspects of the subject through dynamic classroom teaching. In studying economic, social, environmental and political motives, impacts and consequences, students learn to understand the complexities of both the human and physical world at a range of different scales. To further support this learning, we offer our students a range of opportunities beyond the classroom including fieldwork trips ranging from destinations such as the Lake District to Iceland.

GCSE results in Geography are excellent and significantly above national benchmarks. In 2021 53.2% of students achieved 7+ and 68% achieved 5+. This is testament to the departmental support for devising tailored enrichment and intervention for our Year 11 cohort. In addition, an overwhelming number of our 2021 leavers chose Geography as one of their subjects to study at A Level.

Our Key Stage Four curriculum begins in Year 9 with all students starting their GCSE courses in the core subjects and benefitting from some curriculum choices. Students make their final GCSE portfolio choices in Year 9 ready for their graduation to the Upper School from Year 10. The English Baccalaureate route is prioritised through our curriculum model, almost all students choose at least one of the Humanities at GCSE with many opting to study both. Our students follow the Edexcel B exam board specification. This qualification has been chosen for its clear, coherent, thematic-based coverage. It enables students to explore the world, the issues it faces and their own place in it.

This job description is in addition to the National Standards expected of all who have attained Qualified Teacher Status. This job description is subject to review and change as the school grows and develops.
